REPORT

The Directorate of Higher Education in association with the Government College of Commerce and Economics, Borda organized **Aspire to Excellence**, a Three Day Intensive Workshop on the 8th, 9th and 10th of December 2018 for students and faculty of the college. The Resource Person for the three-day workshop was Mr. Dileep Parab, Corporate Trainer, Motivational Speaker, Management and Training Consultant, Goa. The basic idea behind the organization of the workshop was to enhance interpersonal relations.

The staff was engaged in various activities-role play, skits, and group discussions. In one of the technical sessions, the staff both teaching and non-teaching were divided into groups, and each group was asked to create a SWOC analysis of the college. Each group was also asked to construct a vision statement for the college.

The workshop aimed at promoting teamwork, confidence building, enhancing emotional intelligence. The Resource Person put across the idea that teamwork would help in strengthening leadership, teaching, and learning.

A total of 23 faculty and 234 students participated in the three-day workshop.

REPORT

One Day State Level Seminar on *“Prevention of Sexual Harassment at Workplace”*

The Internal Complaints Committee of the College organised a One Day State Level Seminar on “Prevention of Sexual Harassment at Workplace” on the 1st of March 2019 in the College Seminar Hall.

The programme comprised of two sessions. While one session helped the participants to identify a sexual predator and take preventive measures, the other threw light on what constitutes sexual harassment and the legal options available to a victim.

The Resource Persons for the Seminar included noted Lawyer and Human Rights Activist, Advocate Albertina Almeida and Ms.KananThandi, a professional trainer in Body Language whose expertise is sought and used by the Law Enforcement Authorities in Goa.

Advocate Albertina Almeida citing various cases threw light on what exactly constitutes a sexual offence at workplace. She elaborated on the role that the ICC has to play in these matters and the course of action that it has to take in the event of complaints. She also addressed various issues and questions raised by the participants.

Ms.KananThandi through her lucid presentation made the participants aware of the of certain body postures and gestures of an individual which could help them identify whether they exhibit signs of sexual predators.

The Seminar was attended by the ICC Convenors and students of different colleges in Goa who gave positive feedback about the same.

(Affiliated to Goa University)

ABOUT THE COLLEGE

The Government College of Commerce and Economics is the youngest educational institution to be established by the Government of Goa. Set up in the year 2010, the college was born out of the need to provide access to higher education to the disadvantaged and marginalized sections and in the broader context to realize the goal of 'inclusive education' for the academic empowerment of the students in the vicinity. The mono faculty college affiliated to the Goa University is located at Borda in the Margao city. It imbibes the city culture and truly represents a microcosm of India - A blend of students of different religions, castes, and gender. Pursuit of excellence is the hall mark of the institution. The college is easily accessible being located at a distance of less than 30 kms from the Dabolim airport, approximately two kms from the Margao Railway Station and the Margao Kadamba Bus Terminal respectively.

ABOUT THE SEMINAR

India is recognized as one of the fastest growing economies in the World. The Economic Survey (2017-18) points out that India can be rated as among the best performing economies in the world as the average growth during last three years is around 4 percentage points higher than global growth and nearly 3 percentage points higher than that of Emerging Market and Developing Economies. India has been ranked 11th in the Global Confidence Index 2018, making it the 2nd highest ranked emerging market for FDI. India witnessed a 20 notch jump to a record 77th on the ease of doing business which captured the performance of 190 countries. The long term growth perspectives of the economy are also positive. The country is attracting many global majors for strategic investments owing to the presence of vast range of industries, investment avenues and a supportive government. India is peopled with a young population. This demographic dividend serves as a strong driver for demand and an ample source of manpower. However, the impact of demonetization, banking scams, agrarian crisis, declining growth rates, growing unemployment, the parallel economy and other issues are challenges that need to be addressed.

It is in this background that the Department of Economics of the College seeks to organize a Two Day National Seminar on the Indian Economy and invites participation and research papers on the various sub themes of the seminar.
