REPORT ON TALK ON FINANCIAL LITERACY

The Government College of Commerce and Economics Borda Margao organised a talk on "Financial Literacy" for F.Y, S.Y and T.Y Students on 18th September 2019 in college seminar hall.

The Resource person for the said session was Dr. Celso, Financial Advisor. The session started with introduction of resource person by Dr. Fatima D'Souza Associate professor and HOD of Commerce Department.

(Resource person Dr. Celso addressing the students)

The objective of organising such a session was to provide students information on financial literacy among students which is an important tool to improve the financial capability of our youth. Students should be taught how to handle money both at home and in school. This will help reduce the economic impact of the long-term recession.

The resource person spoke on how it is the most effective time window for sharing positive personal finance lessons before students move out on their own. Real life success stories of people who have benefited by investing money at a very young age were shared with the students.

Creating Consciousness about Snakes

On 26th June, 2019 talk on "Creating Consciousness About Snakes" was organised by the NSS unit of the College. The resource person for the same was Shri Charan Dessai, he has started an initiative named "Mugger Tales" by SAWE for the conservation of crocodiles who actively works as a volunteer and has a lot of knowledge about the snakes. He and his team firstly spoke about venomous and non- venomous snakes in our surrounding. He also spoke on the do's and don'ts upon the snake bite.

The most interesting part of the talk was that they brought the real snakes and showed them to the NSS volunteers of the college. It was a realistic and thrilling experience for all of us.

Participants: 95 (Male-28 Female-67)

D.O.No.F.14-13/2015(CPP-II)

7th June, 2019

Subject: Celebration of International Day of Yoga.

Respected Madam/Sir,

This is in continuation of my earlier letter of even number dated 20th March, 2019 regarding celebration of International Day of Yoga (IDY), 2019 which is to be celebrated on 21st June, 2019. It is believed that your esteemed university would have planned events / activities for successful observance of International Day of Yoga. The Ministry of Human Resource Development vide its letter no. 304/2019-U.5(pt.) dated 7th March, 2019 has forwarded the Common Yoga Protocol 2019 received from Ministry of AYUSH which is available at <http://www.ayush.gov.in/event/common-yoga-protocol-2017> for your ready reference.

The central event of IDY, as in the previous years, shall be the Mass Yoga Demonstration based on Common Yoga Protocol (CYP). The objective of this exercise is to make all participants aware of the immense rewards that the pursuit of yoga can bring to an individual, and inspire them to continue the practice of Yoga beyond the Yoga Day.

You are, therefore, requested to organize a Mass Yoga Demonstration based on CYP on 21st June, 2019 from 07:00 AM to 08:00 AM with participation of staff, teachers and students and also upload an action plan and the activities/photographs/videos of events conducted in your institution on UGC's University Activity Monitoring Portal (<https://www.ugc.ac.in/uamp/>). Necessary instructions may also be communicated to the colleges/institutes affiliated to your university.

With kind regards,

Yours sincerely,

(Rajnish Jain)

The Vice-Chancellor of all Universities.

REPORT OF THE TALK ON MUTUAL FUNDS

The Department of Economics organized a talk on 'Mutual Funds' for the students of TYBCOM A and B division on the 11th of December 2021 between 12.00 -1.00 p.m. The resource person for the talk was C.A Sonam Daivajna, Chartered Accountant and Director -ACCOSPHERE PVT LTD.

Dr. Elizabeth J Henriques, the Head of the Department of Economics introduced the resource person. Ms. Sonam Daivajna spoke to the students on the different types of mutual funds available; the features of each of them as also the risks involved. She introduced the students to certain apps which can be easily downloaded on their mobile phones and which can be used to buy and sell units of mutual funds. She spoke on Liquidity funds where one can park their funds for a short period of time rather than saving them in a bank wherein the returns would be negligible.

She also threw light on some of the mutual funds that are performing well and opined that the students could use their limited savings to invest in mutual funds. She advised the students to start savings and opined that SIPs were conducive instruments wherein students can start saving even with limited capital.

The talk was well appreciated by the students who had their queries and doubts cleared by the resource person. Ms. Anagha Kamat Sambary, Faculty in the dept of Economics, proposed the vote of thanks.

REPORT

The Department of Economics of the Government College of Commerce and Economics, Borda organised a State Level Webinar on the topic "CRYPTOCURRENCIES" on the 10th of December 2021, 4.00 p.m onwards.

Dr. Elizabeth J. Henriques, the Webinar organiser began the Webinar by welcoming the Resource Person Mr. Jervis Pereira and the participants and threw light on the rationale behind selecting the theme of the Webinar. The Principal of the College, Dr. Gajanan V. Madiwal in his introductory remarks spoke briefly on cryptocurrencies and officially welcomed the Resource Person and all the Participants. Dr. Elizabeth J. Henriques, then introduced the Resource Person Mr. Jervis Pereira, the Founder of Digital Kwill and the Head of Strategic Partnerships at AdLunam. He is the Regional Head of Idealabs FutureTech Ventures and the Co-founder of the Blue Economy Hub.

The Resource Person engaged an informative session on cryptocurrencies. In an hour-long session on this digital currency, he likened trade in cryptocurrency with stock trading. He traced the origin of digital currency to David Chaum who introduced 'Digi Cash' in 1989. He mentioned that there are over 14,000 coins one can invest in with bitcoins being the most popular. All other coins he pointed out are called "Alt coins". The value of a cryptocurrency/bitcoin would depend on how much value is ascribed to it. He informed the participants that the market for cryptocurrencies unlike that for stocks is a continuous market and does not close. One could even buy a fraction of a bitcoin. Coinmarket.com indicates a second-to-second movement of coins. Bitcoins are available on a decentralised exchange through blockchain technology.

He also threw light on different cryptocurrency exchanges in India – COINDCX; COINSWITCH; WAZIRX; Zebpay etc. He opined that the cryptocurrency market is a safe market to invest in. The Government of India he pointed out does not recognise cryptocurrency as legal tender and is attempting to regulate this market. Cryptocurrencies are A-Legal in India.

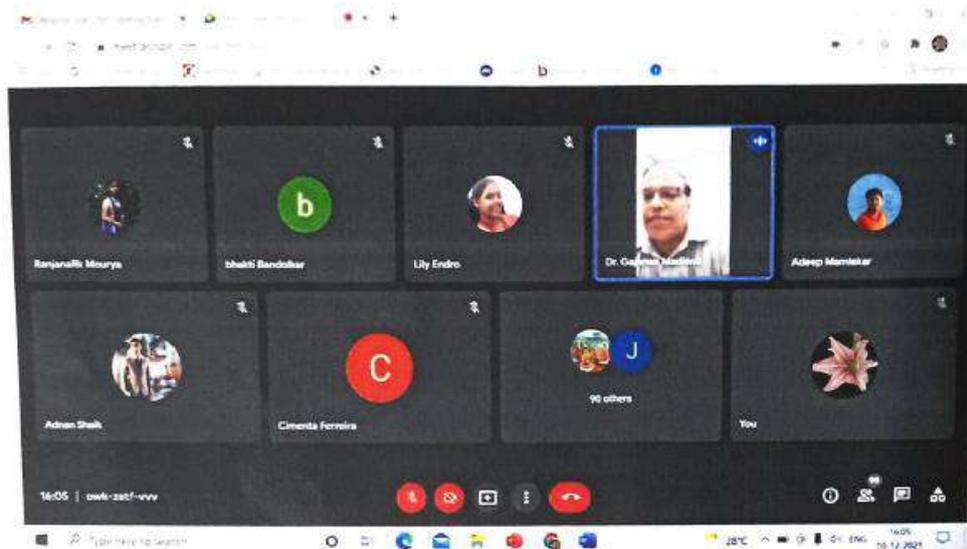

The participants raised a number of questions which were responded to by the Resource Person.

Ms Anagha Kamat Sambary, Assistant Prof. of Economics proposed the Vote of Thanks.

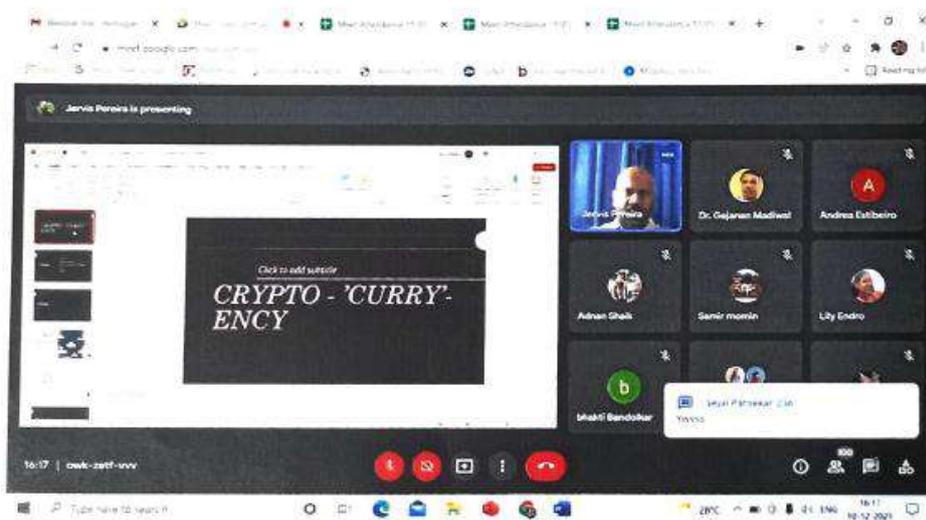

The Webinar was attended by a total of 100 students and faculty of different colleges across the State.
