ANALYSIS REPORT OF STUDENT FEEDBACK ON CURRICULUM (2018-2019)

A total of 30 students drawn from different classes were randomly selected and administered a questionnaire related to the curriculum/syllabus and courses that they study in the college. The responses have been plotted in the table below:

Questions	Strongly Agree	Agree	Disagree	Strongly Disagree
The Feedback facilitates acquisition of knowledge	5 (5.33%)	25 (83.33%)	0 (0%)	0 (0%)
The syllabus of various courses offered in the BCom programme facilitates acquisition of effective writing and speaking skills	2 (6.66%)	22 (73.33%)	6 (30%)	0 (0%)
The Syllabus keeps you updated with the latest developments in the course/subject	5 (5.33%)	24 (80%)	1 (3.33%)	0 (0%)
The syllabus creates in you an interest to pursue higher studies	3 (10%)	20 (66.6%)	5 (5.33%)	2 (6.66%)
The Course curriculum was intellectually stimulating	2 (6.66%)	15 (50%)	10 (33.33%)	3 (10%)
The syllabus has practical relevance and equips you with the required skills to enter the job market	10 (33.33%)	20 (66.6%)	0 (0%)	0 (0%)
The curriculum has improved your thinking, analysing and problem-solving ability	5 (5.33%)	18 (60%)	6 (20%)	1 (3.33%)
Teachers make content delivery interesting by using Information and Communication Technology (ICT)	15 (50%)	15 (50%)	0 (0%)	0 (0%)
The course curriculum fulfils your expectations	4 (13.33%)	24 (80%)	1 (3.33%)	1 (3.33%)
The curriculum helps you to develop a personal code of conduct and ethics	5 (5.33%)	22 (73.33%)	3 (10%)	0 (0%)

It is inferred from the responses of the students that predominantly the students view the curriculum, courses and the syllabus positively.
